

A large, round, yellow pumpkin is the central focus, resting on a light-colored wooden board. It is surrounded by lush green pumpkin leaves. A blue, arched protective cover made of a plastic-like material is draped over the pumpkin and supported by thin poles. In the background, a wooden lattice fence runs across the garden, and further back, another similar blue cover is visible. The scene is set outdoors in a garden with a body of water and trees in the distance.
